MEMORANDUM OF UNDERSTANDING

PREAMBLE

WHEREAS, the Baltimore County Administration ("Administration") and the Baltimore County Deputy Sheriffs, Fraternal Order of Police Lodge #25 ("FOP") desire to provide efficient public service to the citizens of Baltimore County, and;

WHEREAS, the FOP and the Administration agree that this goal can best be achieved through a harmonious relationship between them, the parties hereby agree as follows:

ARTICLE 1 - RECOGNITION OF FOP

Section 1.1 - FOP Recognition

The Administration recognizes the FOP as the exclusive representative of its employees, as defined in Section 1.2 of this Article, for the purpose of negotiating and otherwise representing such employees in all matters relating to wages, hours and other conditions and terms of employment.

Section 1.2 - Employee Defined

Whenever used in this Memorandum of Understanding, the term "employee" shall mean all deputy sheriffs in Pay Schedule XIII of the Baltimore County Classification and Compensation Plan who have taken and subscribed the oath provided in Section 2-104 of the Courts and Judicial Proceedings Article of the Annotated Code of Maryland.

ARTICLE 2 - MANAGEMENT AND EMPLOYEE RIGHTS

Section 2.1 - Management Right

It is the exclusive right of the County to determine the purposes and objectives of each of its constituent offices and departments; set standards of services to be offered to the public; to determine the methods, means, personnel and other resources, including volunteers, by which the County's operations are to be conducted, including the contracting out of work if deemed necessary by the County; and to exercise control and discretion over its organization and operations. It is also the right of the County, subject to applicable provisions of this Memorandum of Understanding and in accordance with the County Charter and other applicable laws, to direct its employees; to hire, promote, transfer, assign or retain employees and to establish reasonable work rules; also to demote, suspend, discharge or take any other disciplinary action against its employees for just cause, provided, however, that nothing contained in this Section shall be deemed to deny the right of any employee to submit a grievance with regard to the exercise of such rights.

Section 2.2 - Employee Rights

An employee will have and will be protected in the exercise of the right, freely and without fear of penalty or reprisal, to form, join and assist the FOP, or to refrain from such activity in accordance with the Employee Relations Act of Baltimore County. In the exercise of this right, employees and their representatives will be free from any and all interference, restraint, coercion and discrimination. Except as otherwise expressly provided in this Memorandum of Understanding and in the Employee Relations Act of Baltimore County, the right to assist an employee organization extends to participation in the management of the organization and acting for the organization as representative, including presentation of views to officials of Baltimore County, or other appropriate authority.

Section 2.3 - FOP Activities

(a) Designation of FOP Representatives

A written list of FOP representatives shall be furnished to the County and the FOP shall notify the County of any changes in the representatives.

(b) FOP Activities

With the permission of the appropriate supervisor(s), FOP representatives designated pursuant to Section 2.3(a) of this Memorandum of Understanding shall be permitted reasonable time during working hours and on County premises to post official FOP notices on bulletin boards designated for such purposes by the Administration; to transmit communications, authorized by the FOP, to the Administration or its representatives(s); to consult with the Administration or its representative(s) concerning the enforcement of any provisions of this Memorandum of Understanding; to consult with an employee and/or the FOP President with respect to the administration of this Memorandum of Understanding; and to represent employees at grievance meetings and hearings conducted pursuant to Section 4.3 of this Memorandum of Understanding. Access under this Section 2.3(b) shall be denied only when the use of such time would interfere with the operations of the County.

Section 2.4- Court Operations

The Sheriff or his designee with the authority of the County shall have the right to deem the Friday after Thanksgiving a non-work day for all Sheriff's Office staff, permitting there is no interference with normal office functions or duties.

ARTICLE 3 - UNION SECURITY

Section 3.1 - FOP Membership

All employees covered by this Memorandum of Understanding who (a) are members of the FOP, or (b) all employees who are thereafter hired shall, as a condition of continued employment, maintain membership in the FOP or pay to the FOP a service fee in an amount not to exceed the then current FOP dues, in order to defray the cost incurred by the FOP in serving as the exclusive representative of employees in accord with the Employee Relations Act of Baltimore County. The provision of this section shall be contingent upon the showing by the FOP, annually, to the Administration that more than forty percent (40%) of the employees covered by this Memorandum of Understanding are dues paying members of FOP Lodge #25.

Section 3.2 - Election of Membership

An employee required to make an election of membership status must do so within thirty (30) days following receipt of such form from the FOP. Failure to do so shall result in the FOP notifying the County of the breach by the employee of the provisions of this Article 3. The County will then notify the employee within five (5) working days of receipt of the FOP notification that the employee has ten (10) working days in which to make such an election. If the employee still does not make an election in the time provided, or has not made a financial arrangement satisfactory to the FOP, the County shall notify the employee's appointing authority that the employee has breached the terms of continued employment, and the appointing authority shall then begin proceedings subjecting the employee to appropriate disciplinary action, including termination.

Section 3.3 - Dues Checkoff

Upon receipt of a written authorization from an employee, in the form attached hereto as Exhibit "A", the Administration shall deduct from the wages due said employee each pay period, and remit to the FOP, monthly, at its headquarters, the biweekly dues as fixed by the FOP, or the equivalent service fee and/or deductions for FOP-sponsored insurance programs, provided that the Administration shall cease such deductions upon an employee's termination of employment, transfer to a job outside the bargaining unit, layoff from work, or authorized leave of absence. The Administration shall resume such deductions upon the return of an employee from layoff or authorized leave of absence. The Administration shall cease

deductions for FOP dues or service fees upon receipt of a revocation of such authorization from an employee that is executed within thirty (30) days prior to the anniversary date of such authorization.

Section 3.4 - County Indemnification

The County assumes no obligation, financial or otherwise, arising out of the provisions of this Article, and the FOP shall indemnify and hold the County harmless from any and all claims, grievances, arbitration, awards, suits, attachments, or other proceedings arising out of or by reason of any action taken by the County for the purpose of complying with any of the provisions of this Article.

ARTICLE 4 - GRIEVANCE PROCEDURE

Section 4.1 - Definition of Grievance

(a) The term grievance shall mean any dispute between an employee and the Administration, (a) concerning the application and interpretation of the terms of this Memorandum of Understanding; (b) concerning the discriminatory application or misapplication of the rules and regulations of any agency of the County; or (c) involving the suspension, dismissal, disciplinary action, promotion or demotion of the employee or any complaint about an examination or examination rating. The procedures set forth in this Memorandum of Understanding are the exclusive procedures for the resolution of all grievances, and no employee shall be permitted to process any grievance except as set forth herein.

(b) Disciplinary hearings - It is understood that in no event shall any matter arising from a complaint against an employee which engages the requirements of the Law Enforcement Officers' Bill of Rights, Title 3, Subtitle 1 of the Public Safety Article of the Annotated Code of Maryland, be governed by the grievance procedures as established pursuant to this Memorandum of Understanding. It is further understood and agreed that all such matters shall proceed as mandated by the Law Enforcement Officers' Bill of Rights and all disciplinary proceedings instituted in connection therewith shall be conducted in accordance with the Law Enforcement Officers' Bill of Rights and as provided in Section 11.3 of this Memorandum of Understanding.

(c) Class Grievance - If a grievance affects a group of employees similarly situated, the FOP President may submit said grievance, in writing, directly at Step 2. Any such grievance must identify at least one grievant by name.

Section 4.2 - FOP Representation

An employee shall be entitled to FOP representation at each step of the grievance procedure. However, the FOP shall not be required to represent, for purposes of grievance hearings, those employees who are not dues-paying members of the FOP. Notwithstanding the foregoing provisions of this Article, any employee shall have the right to present grievances to the Administration and to have such grievances adjusted in accord with the procedures set forth in this Article, without the intervention of the FOP, as long as the adjustment is not inconsistent with the terms of this Memorandum of Understanding, and provided that the FOP is given an opportunity to be present at such adjustment.

Section 4.3 - Procedural Steps

Recognizing that grievances should be raised and settled promptly, all grievances, except grievances involving the suspension or dismissal of an employee, must be presented in accordance with the following procedures. A grievance involving the suspension of an employee shall be presented in accordance with the following procedures, except that such a grievance shall be commenced at Step 3 by the filing of a written grievance with the Sheriff within ten (10) workdays after the employee has been notified of the suspension. A grievance involving the dismissal of an employee shall be presented in accordance with the following procedures, except that such a grievance shall be commenced at Step 4 by the filing of a written grievance with the Director of Human Resources within ten (10) workdays after the employee has been

notified of the dismissal.

Step 1. Within ten (10) workdays following the event giving rise to the grievance or within ten (10) workdays following the time when the employee reasonably should have gained knowledge of its occurrence, the aggrieved employee may orally present the grievance to the employee's immediate supervisor. The immediate supervisor shall attempt to settle the grievance, and shall respond orally within five (5) workdays of presentation by the aggrieved employee.

Step 2. If the grievance is not settled at Step 1, the aggrieved employee may file a written grievance with the Chief Deputy Sheriff or equivalent supervisor, as designated by the Sheriff, within five (5) workdays of the oral response. A meeting shall be held between the aggrieved employee, the employee's FOP representative and the appropriate supervisor or the supervisor's designee, and such other County representatives as may be designated, within ten (10) workdays after receipt of the written grievance. The supervisor or the supervisor's designee shall submit a written answer to the grievance to the aggrieved employee within ten (10) workdays of such meeting, and shall simultaneously forward a copy of such answer to the FOP representative.

Step 3. If the grievance is not settled at Step 2, the aggrieved employee may file a written appeal of the Step 2 answer with the Sheriff within ten (10) workdays after the employee's receipt of such answer. A meeting shall be held between the aggrieved employee, the employee's FOP representative and the Sheriff or the Sheriff's designee, and such other County representatives as may be designated, within ten (10) workdays of receipt of the written appeal. The Sheriff or the Sheriff's designee shall submit a written answer to the aggrieved employee within (10) workdays of such meeting, and shall simultaneously forward a copy of such answer to the FOP representative.

Step 4. If the grievance is not settled at Step 3, the aggrieved employee may file a written appeal of the Sheriff's answer with the Director of Human Resources within ten (10) workdays after receipt of such answer. A meeting shall be held between the aggrieved employee, the employee's FOP representative and the Director or the Director's designee, and such other County representatives as may be designated, within fifteen (15) workdays after receipt of the written appeal. The Director or the Director's designee shall submit a written answer to the aggrieved employee within fifteen (15) workdays of such meeting, and simultaneously forward a written copy of such answer to the FOP representative.

Section 4.4 - Written Presentation

All grievances presented at Steps 2 through 4, as set forth in Section 4.3 of this Article, shall be in writing, signed by the aggrieved employee, and shall set forth the specific provisions of the Memorandum of Understanding or rules and regulations at issue and the relief sought by the aggrieved employee.

Section 4.5 - Time Limitations

The time limits set forth in this Article and Article 5 are of the essence of this Memorandum of Understanding. Said time limits may be extended only by the mutual written agreement of the Administration and the aggrieved employee and/or the FOP representative. If the aggrieved employee (or the FOP President, in the case of a Class Grievance) fails to comply with the time limits set forth in this Article, or if the FOP fails to comply with the time limits specified in Article 5, the grievance shall be deemed to have been waived. If the Administration fails to comply with any time limit set forth in this Article, the FOP may elect to proceed to the next step.

ARTICLE 5 - FINAL RESOLUTION OF GRIEVANCES

Section 5.1 - Final and Binding Arbitration

(a) Appeal Procedure. Any grievance as defined in Section 4.1(a) or (b) of this Memorandum of Understanding, that has been properly processed through the grievance procedure set forth in

Article 4 and which has not been settled at the conclusion thereof, may be appealed to arbitration by the FOP by serving written notice of intention to appeal on the Director of Human Resources. Said written notice shall set forth the specific provision(s) of this Memorandum of Understanding or of the County's rules and regulations at issue, and a statement of the specific relief sought on behalf of the employee. A grievance must be appealed under this Section 5.1 not later than ten (10) workdays after receipt by the FOP representative of the Director or the Director's designee's answer at Step 4 of the grievance procedure set forth in Article 4, or said grievance shall be deemed to have been settled in accordance with the Step 4 answer which shall be final and binding on the aggrieved employee, the FOP and the Administration. In no case may an employee use the mechanism for arbitration without the approval of the FOP.

(b) Selection of Arbitrator. Within ten (10) workdays after receipt by the Administration of the written notice of appeal specified in Section 5.1(a) of this Article, the Administration and the FOP shall jointly request The Federal Mediation and Conciliation Service to furnish a list of not less than five (5) qualified and impartial arbitrators, one of whom shall be designated to act as arbitrator of the grievance. Selection shall be made by the Administration and the FOP alternately deleting names from the list until only one name remains. The final name remaining shall be the arbitrator of the grievance.

(c) Arbitrator's Jurisdiction. The jurisdiction and authority of the arbitrator of the grievance and the arbitrator's opinion and award shall be confined exclusively to the interpretation and/or application of the express provision or provisions of this Memorandum of Understanding or the rules and regulations of a County agency at issue between the FOP and the Administration, as specified in the written grievance filed by the aggrieved employee at Step 2 of the procedure set forth in Article 4 of this Memorandum of Understanding. The arbitrator shall have no authority to add to, detract from, alter, amend, or modify any provision of this Memorandum of Understanding or any rules and regulations of a County agency, or impose on either party hereto a limitation or obligation not explicitly provided for in this Memorandum of Understanding or the rules and regulations of the County agency, or to establish or alter any wage rate or wage structure. The arbitrator shall not hear or decide more than one grievance without the mutual consent of the Administration and the FOP. The award of the arbitrator, in writing, on the merits of any grievance adjudicated within the arbitrator's jurisdiction and authority shall be served on both the Administration and the FOP and shall be final and binding on the aggrieved employee or employees, the Administration and the FOP.

(d) Fees and Expenses of Arbitrator. The fees and expenses of the arbitrator shall be shared equally by the parties. The cost of any transcript shall be borne by the party or parties ordering it.

Section 5.2 - Resolution by Personnel and Salary Advisory Board

(a) Notice of Appeal. Any grievance as defined in Section 4.1(c) of this Memorandum of Understanding that has been properly processed through the grievance procedure set forth in Article 4 and which has not been settled at the conclusion thereof may be appealed for a final resolution by the Personnel and Salary Advisory Board, by serving written notice of intention to appeal on the Chairman of the Personnel and Salary Advisory Board within ten (10) workdays of receipt of the Director of Human Resources' answer at Step 4 of the procedures set forth in Article 4 of this Memorandum of Understanding.

(b) Resolution by Personnel and Salary Advisory Board. The Personnel and Salary Advisory Board shall hold a hearing and finally resolve the dispute in accord with its existing rules and regulations. The decision rendered by the Personnel and Salary Advisory Board shall be final and binding on the aggrieved employee, the FOP and the County Administration, except for any question involving the jurisdiction of the Personnel and Salary Advisory Board which may be appealed pursuant to Section 803 of the Charter of Baltimore County.

ARTICLE 6 - NO DISCRIMINATION

Section 6.1 - No Discrimination

In accord with applicable law, the provisions of this Memorandum of Understanding shall be applied equally to all employees without discrimination as to age (40 years and up), sex, sexual orientation, gender identity or expression, disability, marital status, race, color, creed, national origin, political affiliation, religious affiliation or genetic information.

ARTICLE 7 - SENIORITY

Section 7.1 - Definition of Seniority

Seniority shall mean an employee's length of continuous service in the Baltimore County Classified Service, from the date of initial employment, or re-employment following a termination of prior seniority. An employee's seniority shall not accrue during any period of layoff in excess of twelve (12) months.

Section 7.2 - Termination of Seniority

An employee's seniority shall be terminated and the employee's rights under this Memorandum of Understanding forfeited for the following reasons:

- (a) discharge for just cause, quit, expiration of a leave of absence or resignation; or
- (b) layoff for a period in excess of twenty-four (24) months.

Section 7.3 - Seniority List

The Administration shall maintain a list showing the seniority of all employees covered by the Memorandum of Understanding, which list will be arranged alphabetically by class title and be maintained by the Office of Human Resources.

A copy of the seniority list shall be furnished to the FOP on or about January 1 of each year.

Section 7.4 - Layoffs and Recall

(a) In the event a reduction in force becomes necessary for reason of economy, the Administration shall lay off, within the job classification and department affected, first: seasonal, temporary and part-time employees; and then: classified employees, in inverse order of seniority, provided that if a layoff is necessitated because the funding of a grant program is reduced or eliminated, those employees employed pursuant to such grant will be laid off within the job classifications and departments affected in inverse order of seniority prior to the layoff of any other employees. A classified employee so laid off shall be entitled to "bump" the junior employee in the same job classification or classification series who is covered by this Memorandum of Understanding or to transfer to a vacant position in an equal or lower pay grade, provided the transferring employee meets the minimum qualifications of the job classification to which the employee wishes to transfer and provided that employees employed pursuant to a grant and laid off because of the reduction or elimination of such grant shall be entitled to "bump" in accord with the provisions of this Section 7.4. By order of seniority, a classified employee on layoff shall be recalled to the classification and Department from which the employee was laid off before a new employee is hired for such position.

(b) Layoff due to Technology. If an employee is to be laid off due to the employee's job being eliminated due to the introduction of new technology to the employee's job, the County will, whenever practicable, make every reasonable effort to train the displaced employee in the new technology or retrain the employee for a comparable full-time merit position in the County.

Section 7.5 - Posting and Filling of Vacancies

(a) When a vacancy in the classified service covered by this Memorandum of Understanding occurs which the Administration intends to fill and for which no eligible list exists, the Administration shall post an announcement of the vacancy on the bulletin boards whereon such announcements are normally posted, for a minimum of five (5) workdays. Such announcement shall identify the vacancy by the class title, pay grade and pay range and the location of the position, and shall include the minimum qualifications for the position. Such announcements shall also state how and where to file and the closing date for receipt for applications. Any employee may submit an application for a vacant position. In the event two (2) or more employees certified from the eligible list are, in the judgment of the appointing authority, equally qualified, seniority shall determine who is appointed to the vacant position. Employees will be informed of their numerical score on any test for promotion and of their ranking on the eligibility list.

(b) Shift Changes. When a vacancy occurs, a request for a shift change will be granted based upon the Administration's evaluation of the ability, competence and dependability of the employee requesting the shift change. If ability, competence and dependability are equal, the most senior employee's request will be granted. It is expressly understood that a certain number of experienced employees are required to operate the shifts efficiently and this fact may cause the denial of any or all requests for a shift change.

Section 7.6 - Transfers

(a) At the Request of the Employee. An employee who has completed the probationary period may apply in writing to the Director of Human Resources, through the employee's supervisor and agency head, for transfer from the position which the employee occupies to any vacant position of the same classification anywhere in the County Classified Service, stating the employee's reasons for requesting the transfer. The Director of Human Resources may transfer the employee if the Director deems such transfer to be in the interest of both the employee and the County Classified Service. An employee who has completed the probationary period may also apply in writing to the Director of Human Resources, through the employee's supervisor and agency head, for transfer from the position which the employee occupies to any vacant position in another classification, assigned the same pay grade, anywhere in the County Classified Service, provided the employee meets the approval of the County Administrative Officer. The Director of Human Resources may transfer the employee if the Director deems such transfer to be in the interest of the employee and the County Classified Service, and provided further that each agency head affected by the transfer gives written approval of the transfer. The Director of Human Resources may require a qualifying examination of any person requesting such a transfer.

(b) By Determination of the Administration. The County Administrative Officer may cause employees in the County Classified Service to be transferred within or between County agencies to meet workload peaks or emergency conditions, except that no employee may be transferred out of the County Classified Service without the employee's written consent. The Director of Human Resources shall have the power, upon written recommendation of an agency head and subject to the approval of the County Administrative Officer, to transfer a classified employee from the position which the employee occupies in one classification within the employee's agency to any vacant position in another classification, assigned the same pay grade, within the employee's agency.

(c) Rate of Pay Upon Transfer.

(1) Transfer. An employee who is transferred to a vacant position in the same pay grade, whether within or between County agencies, shall be paid the same rate of pay as the employee received prior to the transfer. An employee who is transferred shall receive night shift differential if applicable to the employee's new position.

(2) Demotion. When an employee, as a matter of discipline, is involuntarily demoted for cause to a position in a lower pay grade, the employee's rate of pay

shall be reduced to the maximum rate for the new classification or the employee shall continue at the same rate of pay, whichever is lower. When an employee requests a voluntary demotion from a position in one pay grade to a position in a lower pay grade, the rate of pay upon transfer shall be adjusted to a rate in the pay grade commensurate with the employee's skill, ability and experience in the new classification.

Section 7.7 - Reassignment of Work Location

The agency head shall have the authority to transfer an employee from a position in one classification within the agency to a vacant position of the same classification within the same agency. If an employee desires to transfer to another position in the same classification within the same agency, the employee shall submit a request in writing to the department/agency head, stating the reasons for the requested transfer. The ability and competence of the employee shall be taken into consideration as well as the employee's work record before granting such a transfer request. If ability and competence are equal, the most senior employee will be transferred.

ARTICLE 8 - COMPENSATION

Section 8.1 - Purpose of Article

The sole purpose of this Article is to provide a basis for the computation of straight time, overtime and other premium wages.

Section 8.2 - Overtime

(a) Employees in pay grades 4S through 9S shall be compensated for overtime in accordance with Rule 10 of the current Baltimore County Compensation Plan, attached hereto as Appendix B. For purposes of determining an employee's entitlement to overtime, hours for which an employee received compensatory leave shall be considered hours worked.

(b) Seventh Consecutive Day of Actual Work. Employees in pay grades 4S through 9S who are required to work on their regularly scheduled day off, and such work results in this becoming the seventh (7th) consecutive day of actual work, shall be paid at two (2) times the regular hourly rate for all actual hours worked on such seventh (7th) day.

(c) Overtime Assignment. Prior to assigning compulsory overtime, the County shall request volunteers to perform such overtime work from among the employees who are normally assigned such work.

Section 8.3 - Call-Back and Standby Pay

(a) Call-Back, Call-In Pay. In accord with Rule 10 of the current Baltimore County Compensation Plan, a Deputy Sheriff and Deputy Sheriff First Class, required by the supervisor to return to work after the completion of the employee's regular shift, will receive one and one-half (1-1/2) times the employee's regular rate of pay for a minimum of four (4) hours on the first call back in a 24-hour period. All call backs after the first will be paid at one and one-half (1-1/2) times the employee's regular rate of pay for actual hours worked. If an employee is called in to work early, and the call-in assignment and regular work shift overlap, the employee will be paid time and one-half (1-1/2) for all hours worked before the start of the regular work shift, with a minimum of two (2) hours.

(b) Standby Pay. In accord with Rule 10 of the current Baltimore County Compensation Plan, Deputy Sheriff, Deputy Sheriff First Class, Deputy Sheriff Sergeant, and Deputy Sheriff Lieutenant will be paid one-fourth (1/4) their regular rate of pay for all hours the employee is required by the supervisor to be on "standby." Call-back hours shall be deducted from the 24-hour period before calculating standby pay. (See Exhibit B.) A standard call back and standby policy shall be established for each section and/or department.

One (1) additional month of service shall be credited if fractional hours totaling 88 hours or more result from the application of this formula.

Section 15.3 - Notice of Use of Sick Leave

An employee who is unable to report to work because of illness or injury is required to personally call the employee's supervisor (or the supervisor's designee), or have a member of the immediate family or a designated representative call, within one (1) hour prior to or one-half (1/2) hour after the time the employee was to report for duty, unless the delay is caused by a documented emergency. An employee's personal certification will be accepted for absences of four (4) days or less unless the employee is subject to the provisions of Section 15.5 of this Article.

Section 15.4 - Holiday During Sick Leave

A holiday recognized under Section 13.1 of this Memorandum of Understanding shall not be counted as a sick day if it falls within the time an employee is on paid sick leave.

Section 15.5 - Abnormal Sick Leave Use

An employee whose absence pattern indicates a potential overuse or questionable use of sick leave may, after documented counseling by supervision, be placed on Exceptional Absenteeism Notice, during which time the employee will be required to submit a written physician's certificate for any sick leave absence. If an employee maintains a satisfactory attendance record for six (6) consecutive months after being placed on Exceptional Absenteeism Notice, such employee will no longer be subject to the requirements of this Section 15.5 until or unless the employee is again placed on Exceptional Absenteeism Notice.

Section 15.6 - Sick Leave Credit

As of January 1 of each year, an employee with one or more years of seniority shall be credited with the sick leave the employee would be entitled to accrue that year. If the employee leaves the service of the County having used more sick leave than the employee actually would have accrued, the value of such excess sick leave shall be reimbursed to the County.

Section 15.7 - Unearned Sick Leave

- (a) Grant of Leave. An employee with one (1) or more years of seniority can request an unearned sick leave extension of 210 hours maximum during a single year. This 210 hour extension will not be granted until the employee has used all earned and anticipated sick, vacation, personal leave and compensatory time. Under unusual circumstances, if approved by the Administrative Officer and Director of Human Resources, an employee can request an advance of unearned sick leave beyond the limits as prescribed by this rule. An employee with less than one (1) year seniority can receive an extension only on an exception basis, subject to the approval of the Director of Human Resources. The employee will first use all accrued sick, vacation, personal leave and compensatory time and, in addition, may be granted the employee's anticipated balance before the extension is granted. A probationary employee cannot receive unearned sick leave extensions, but may, under certain circumstances, be granted the employee's anticipated balance while on probation. Sick leave extension is granted for one (1) physician-certified illness or injury only. Any balance of the total amount granted which is unused, returns to the County and a subsequent request for unearned sick leave must be processed as a new extension, subject to the 210 hour maximum annually.
- (b) Reimbursement of Leave. All unearned sick leave granted must be "paid back" to the County when the employee returns. An employee cannot use paid sick leave until the negative balance is erased. If necessary, an employee with a negative sick leave balance can request a second unearned leave extension in a subsequent year. Such an extension, up to a maximum total negative balance of 210 hours, must also be "paid back" with earned sick leave time. If an employee terminates while still carrying a negative sick leave balance, the unearned leave extension and any anticipated leave used must be paid back to the County either in cash, as a deduction from the final paycheck or from the employee's retirement system account.

Section 15.8 - Overtime Computation

All hours for which an employee receives paid sick leave shall be considered hours worked for the purpose of computing overtime.

Section 15.9 – Sick Family

- (a) An employee may use up to 64 hours of earned sick leave per calendar year for illness in the immediate family. With the approval of the Director of Human Resources, additional sick leave may be used for illness in the immediate family. Immediate family is defined for the purpose of this section as the legal dependent of the employee, employee's biological child, an adopted child, a foster child, or a step-child of the employee; a child for whom the employee has legal or physical custody or guardianship; a child for whom the employee stands in loco parentis, regardless of the child's age; a biological parent, an adoptive parent, a foster parent, or a step-parent of the employee or of the employee's spouse; the legal guardian of the employee, an individual who acted as a parent or stood in loco parentis to the employee or the employee's spouse when the employee or the employee's spouse was a minor, the spouse of the employee; a biological grandparent, an adopted grandparent, a foster grandparent, or a step-grandparent of the employee; a biological grandchild, an adopted grandchild, a foster grandchild, or a step-grandchild of the employee; and a biological sibling, an adopted sibling, a foster sibling, or a step-sibling of the employee. The employee is required to submit a statement to the employee's supervisor stating the relationship of the ill member of the immediate family, the nature of the illness, and the necessity for assisting the ill member of the immediate family.
- (b) This leave may be used for the following purposes: To care for a family member with a mental or physical illness, injury or condition; to obtain preventive medical care for the family member; Paternity leave; if the absence is due to domestic violence, sexual assault, or stalking committed against the employee's family member, the employee may use leave to obtain medical or mental health attention, services from a victim services organization, legal services or proceedings, or to assist with relocation.

ARTICLE 16 - LEAVES OF ABSENCE AND OTHER LEAVES

Section 16.1 - Leaves of Absence

- (a) Request for Leave. The Director of Human Resources may approve leaves of absence without pay for periods of up to one (1) year. A request for a leave of absence without pay shall be submitted in writing to the Director of Human Resources and state the reason the leave of absence is being requested and the approximate length of time off the employee desires. If approved, authorization for a leave of absence shall be furnished to the employee in writing. An employee does not earn sick leave or vacation leave while on an unpaid leave of absence. An employee who accepts other employment while on a leave of absence shall automatically be terminated unless such other employment has been approved, in writing, by the Director of Human Resources. During this leave, employees may continue participation in their health care and life insurance packages by assuming full premium costs.
- (b) Return from Leave of Absence. An employee who returns from a leave of absence of more than six (6) months or from medical leave of any duration must be examined and certified by the Employee Health Clinic before returning to work. An employee who wishes to return from a leave of absence may be reinstated to the employee's former position if it is vacant, or placed on a certification list for a comparable position whenever a vacancy occurs.

Section 16.2 - Bereavement Leave

Four (4) days absence without loss of pay shall be permitted for the death of a parent, stepparent, child, stepchild, brother, sister, spouse, stepbrother or stepsister. Three (3) days absence without loss of pay shall be permitted for the death of a grandparent, spouse's grandparent, grandchild, mother-in-law, father-in-law, brother-in-law, sister-in-law. One (1) day absence without loss of pay shall be permitted for the death of an aunt, uncle, son-in-law or daughter-in-law; provided that one (1) day additional leave with pay may be granted, at the discretion of the Sheriff when extensive travel is involved. Bereavement leave days must be used within ten calendar days of the date of death. Pre-scheduled vacation, sick, personal or compensatory leave may be changed to bereavement leave without charge against the employee's leave

balance. Upon request by the Director of Human Resources, the employee shall offer valid proof of relationship and date of death.

Section 16.3 - Jury Duty

Employees who are required to perform jury service shall be paid their regular salary. The employees summoned as jurors shall notify their supervisors immediately. Employees who report for jury duty and are dismissed shall report to work for the remainder of the working day. Such time spent on jury service will not be charged against any leave credits. Second-shift employees required to report for jury duty, and who are not dismissed from jury duty, shall not be required to report for work on the day they report for jury duty. Third-shift employees shall not be required to report for work for a shift, which ends on the day they are required to report for jury duty.

Section 16.4 - Military Leave

All employees requesting military leave to fulfill reserve obligations in the Armed Forces of the United States or in the National Guard of the State of Maryland shall be granted not in excess of fifteen (15) days annually for such purposes. Such leave will not be charged against the employee's earned vacation, and the employee will be paid full pay during such absence. An employee scheduled for military training shall notify their supervisor at least thirty (30) days in advance of a regularly scheduled military training date that would conflict with the employee's work schedule. The supervisor will make every effort to accommodate the employee's military training schedule, but it is agreed that any change in schedule will not result in the employee receiving overtime and that the change in schedule will not result in an employee working seven (7) consecutive days. Military leave shall be considered as hours worked for the purpose of computing overtime.

Section 16.5 - Work Related Injury

When an employee suffers a disability resulting from an accident or illness found to be compensable under the Maryland Worker's Compensation Act, said employee shall be allowed leave not to exceed twelve (12) months. If otherwise eligible, said leave shall begin on the next scheduled day following the day of the accident. Unless the employee is physically incapacitated and therefore unable to comply, an employee may receive such Accident Leave only if the employee notifies management of the accidental injury within two workdays of the time for which the employee requests such Accident Leave. Payment, while on leave for this reason, shall be the amount calculated individually which will result in said employee receiving as close as practicable to their normal net pay. Every application form for such leave shall contain a statement by the employee, affirmed by the employee's supervisor, setting forth the details of the accident or illness and supported by the certification of a licensed physician, setting forth the nature and extent of the injury or illness and the probable period of disability. Leave granted under this Section shall be recorded on the employee's leave record card, but shall not be charged to any other type of leave. If incapacitated for the employee's regular assignment, the employee may be given other duties with the County for the period of recuperation. Unwillingness to accept such assignments as directed by the Sheriff or the County Administrative Officer will make the employee ineligible for leave under this regulation during the time involved. A physician who regularly examines employees as an official physician for the Baltimore County Employees' Retirement System shall determine the physical ability of the employee to continue working or to return to work.

Section 16.6 - FOP Leave

The FOP will be granted two hundred and fifty (250) hours of leave per year for FOP business, which may include FOP conventions and seminars. Leave for negotiations, as authorized by the Director of Human Resources, shall not be charged against this total. The employees entitled to use FOP leave shall be determined by the FOP President or his designee. Such leave may be taken only with the written approval of the Director of Human Resources. Leave requests should be submitted in writing at least five (5) workdays prior to use. FOP leave may be denied by the Director of Human Resources only on the basis that it would unreasonably interfere with the County's operations.

ARTICLE 17 - SAFETY AND HEALTH

Section 17.1 - Safe and Healthy Working Conditions

The Administration will, to the extent of its authority, provide and maintain safe working conditions for all employees. A safety representative will be designated for each post of duty of more than ten (10) employees, who will be responsible for reporting any hazardous or unsafe conditions observed or reported to the safety representative, to the appropriate supervisor in charge of that area or operation. If within a reasonable period of time corrective action is not taken, the safety representative may report the condition to the County Safety Officer. The Administration will initiate prompt and appropriate action to correct any unsafe working condition which is reported to, or observed by, the County Safety Officer. There will be annual safety inspections of all areas occupied by employees. The FOP may designate a representative at each post of duty who may participate in the annual inspection.

Section 17.2 - Flu Shots

The Administration will make free "flu shots" available annually on a voluntary basis to all employees, as determined necessary by a County Health officer.

Section 17.3 - Safety Equipment

- a. Employees must use all safety equipment furnished them to enable employees to perform their work in a safe manner.
- b. Employees shall be provided a gun allowance of one hundred and fifty dollars (\$150) in their first payroll of December to assist them in any expenses related to off duty training or proficiency practice.

ARTICLE 18 - CLASSIFICATION PLAN

Section 18.1 - Revision of Class Specifications

Specifications for classes covered by this Memorandum of Understanding shall, when deemed necessary by the County, be revised in the Baltimore County Classification and Compensation Plans, which is incorporated by reference in this Section as part hereof as fully as if set out in full herein. However, prior to doing so, the Administration agrees to provide a copy of the proposed revised class specification to the FOP in order to obtain its written comments pertaining thereto and to meet with the FOP upon request. The FOP agrees to forward its written comments to the Administration within ten (10) workdays of the date of transmittal of the written copy from the Administration.

Section 18.2 - Establishment of New Class

The Administration agrees to provide the FOP, for its written comments, with a copy of the specification for any proposed class prior to its establishment, which if ultimately established, would be covered by this Memorandum of Understanding, and to meet with the FOP concerning same upon request. The FOP agrees to forward its written comments to the Administration within ten (10) workdays of the date of transmittal of the class specification from the Administration.

- Disability benefits for non-occupational related injury or illness upon attaining 5 years of creditable service if hired prior to 7/1/07 or 10 years of creditable service if hired on or after 7/1/07
- Occupational death benefits resulting from an injury in actual performance of the job
- Non-occupational death benefit coverage after one year of creditable service
- Credit for unused sick leave and military service
- Service credit for transfer time from a Maryland state or local municipal retirement system

NORMAL SERVICE RETIREMENT BENEFITS

Members hired prior to 7/1/07 are eligible for normal service retirement after the attainment of age 60 with 5 years of creditable service or after 20 years of creditable service regardless of age. Members hired on or after 7/1/07 are eligible for normal service retirement after the attainment of age 62 with 10 years of creditable service or after 25 years of creditable service regardless of age. Members will earn 2.5% of Average Final Compensation (AFC) times the number of years of creditable service up to 20 years plus 2% of AFC times the number of years of creditable service in excess of 20 years plus effective July 1, 2020, members will earn 3% of AFC times the number of years of creditable service in excess of 25 years. Members hired prior to 7/1/07 and retiring with less than 20 years of creditable service will earn 1/55th of AFC times the number of years of creditable service if they are age 60 as of 6/30/07 and attain 5 years of creditable service or retire at age 65 with 5 years of creditable service. All other members hired prior to 7/1/07 and retiring with less than 20 years of creditable service will earn 1/55th of AFC times the number of years of creditable service prior to 7/1/07 and 1/70th of AFC times the number of years of creditable service on or after 7/1/07. For members hired prior to 7/1/07, AFC is the rate of annual earnable compensation during the highest 12 consecutive months of service. For members hired on or after 7/1/07, AFC is the rate of annual earnable compensation during the highest 36 consecutive months of service.

DEFERRED RETIREMENT OPTION PROGRAM (DROP)

A Back DROP is available to Correctional Officers and Deputy Sheriffs under which eligible active members may elect to receive a lump sum payment at retirement in exchange for a reduced monthly benefit for life. In order to be eligible for the DROP, members must be hired on or before 7/1/07, have at least 27 years of qualifying service, including credit for unused sick leave and military service. There is no credit for other jurisdiction service or service as a general employee. The DROP monthly pension benefit will be determined as of a date that is a specified number of years in the past (the “look-back” date) based on the plan provisions and the member’s salary and service at that earlier date, and the lump sum payment will be based on an assumed accumulation of member contributions and monthly payments during the period from the “look-back” date to the actual retirement date. The length of the DROP may be 3 years for 27 years of qualifying service, 3, 3½ or 4 years for 28 years of qualifying service and 3, 3½, 4, 4½ or 5 years for 29 years of qualifying service. The DROP election is made retroactively when the member is ready to retire. AFC is determined as if the member had retired at the beginning of the DROP. The DROP Allowance equals 64% of AFC plus an amount equal to 2% times AFC times the excess of the full and fractional years of DROP Service over 24 years.

The Retirement Allowance paid after the retirement date will equal the DROP Allowance less any reduction for a survivorship option. The reduction will be based on the member’s and beneficiary’s ages at the actual retirement date, not their ages at the DROP “look-back” date. Pension payments credited to the DROP account will be increased for COLAs just as if the member had retired at the beginning of the DROP. Member contributions made during the DROP period will be credited to the DROP account. The

DROP will be credited with 5% interest each June 30, based on the administrative procedures currently used to determine the member's accumulated contributions. The DROP accumulation may be paid to the member in a single lump sum or rolled over into an eligible plan such as an IRA. The distribution must be taken at the actual retirement date. DROP elections may only be made by the member at the date of service retirement. If the member dies in active service, the surviving beneficiary will not be allowed to make a DROP election.

The first retirements for a 3-year DROP cannot occur before July 1, 2010, a 3½-year DROP cannot occur before January 1, 2011, a 4-years DROP cannot occur before July 1, 2011, a 4½-year DROP cannot occur before January 1, 2012, and 5-year DROP cannot occur before July 1, 2012.

The County agrees to conduct an actuarial study to determine whether a DROP can be implemented in a cost neutral or close to cost neutral manner for employees not currently qualified for participation in a County DROP. The County and the Union will equally share the cost of any actuarial study or valuations. The study will be completed by October 1, 2020 and will be presented to the County Executive for review. The agreement to conduct the study is in no way to be interpreted as agreement to implement DROP.

RETIREMENT OPTIONS

ERS provides a retiring member with a choice of taking the maximum allowance or an optional survivorship option. An optional allowance may provide a lump sum payment or a continued monthly allowance for the beneficiary. The selection of any option actuarially reduces the maximum allowance based on the option and the ages of the retired member and the beneficiary as of the date of retirement.

Maximum Allowance - Unreduced retirement allowance with no provisions for continued payments after the retired member's death. All benefits cease at the time of the retired member's death.

Option 1 - Reduced benefit. If the retired member dies before receiving in annuity payments the total contributions, plus interest accumulated in their account at the time of retirement, any remaining balance will be paid in a one-time, lump-sum payment to the designated beneficiary or beneficiaries. All monthly benefits cease at the time of the retired member's death. Under this option, the retiree may change the beneficiary even after receiving the first monthly payment and can also designate multiple beneficiaries.

Option 2 - Reduced benefit. Upon the death of the retired member, 100% of the retired member's monthly allowance shall be continued throughout the life of and paid to the designated beneficiary. No changes may be made to the designated beneficiary after payment of the member's first retirement allowance. If the beneficiary predeceases the retired member, no benefits will be payable after the retired member's death.

Option 3 - Reduced benefit. Upon the death of the retired member, 50% of the retired member's monthly allowance shall be continued throughout the life of and paid to the designated beneficiary. No changes may be made to the designated beneficiary after payment of the member's first retirement allowance. If the beneficiary predeceases the retired member, no benefits will be payable after the retired member's death.

Option 4 - Reduced benefit. Allows any portion of the retired member's allowance, the amount to be determined by the retired member, to continue throughout the life of and paid to the designated beneficiary. No changes may be made to the designated beneficiary after payment of the member's

first retirement allowance. If the beneficiary predeceases the retired member, no benefits will be payable after the retired member's death.

Option 5 - Reduced benefit. Allows 100% of the retired member's allowance to be paid to the beneficiary after the retired member's death. If the retired member becomes divorced from the beneficiary or if the beneficiary dies before the retired member, upon notification to the Board of Trustees, the retired member's allowance will be increased to the Maximum Allowance described above. If after such death or divorce the retired member wishes to select a new beneficiary and retirement option, the retired member may elect one of Options 2, 3, 4, 5, or 6. The benefit will be recomputed based on the ages of the retired member and the beneficiary at the time of re-designation.

Option 6 – Reduced benefit. Allows 50% of the retired member's allowance to be paid to the beneficiary after the retired member's death. If the retired member becomes divorced from the beneficiary or if the beneficiary dies before the retired member, upon notification to the Board of Trustees, the retired member's allowance will be increased to the maximum described above. If after such death or divorce the retired member wishes to select a new beneficiary and retirement option, the retired member may elect one of Options 2, 3, 4, 5, or 6. The benefit will be recomputed based on the ages of the retired member and the beneficiary at the time of re-designation.

MILITARY SERVICE CREDIT

Upon vesting, a member may be eligible to receive retirement credit for up to four years of active duty military service, on a year-for-year basis. Application for military credit can be made up until the time of retirement. To apply, a member must bring their DD214 to the Retirement Office and complete an Application for Military Credit. Active duty service credit will be verified and added to the member's account.

CREDIT FOR UNUSED SICK LEAVE

When a member's final retirement benefit is calculated, a member receives service credit for unused sick leave. One month of service credit shall be granted for every 22 days of unused sick leave. A remainder of 11 days or more will be rounded up to the next full month. Sick leave shall not be used to determine membership service required for the following: death benefit; ordinary disability; vesting; early retirement or average final compensation.

WITHDRAWING FROM THE SYSTEM

Members may withdraw from the System and receive their accumulated contributions only upon termination of employment. If employment is resumed and membership reinstated, no loss of prior service will occur if all accumulated contributions that were withdrawn are redeposited with interest to date of redeposit. Employees reenrolling under such conditions may not take a normal service retirement or an ordinary disability retirement for three years after reenrollment.

TRANSFER OF SERVICE CREDIT

If a new member was employed by the State of Maryland or any other jurisdiction within Maryland immediately prior to employment with Baltimore County, they may be eligible for transfer of prior retirement system service credit. In accordance with State law, new employees have only one year from the date of membership with ERS to claim prior service credit and provide accumulated contributions to ERS. To qualify for transfer service credit, there must be no break in employment greater than 90 days and no employment elsewhere within the break. It is the employee's responsibility to initiate this transfer process with this one-year limitation period. No exceptions are allowed.

CONTRIBUTIONS

Employee contributions into the Retirement System are made through automatic payroll deductions. Retirement deductions are non-taxable, reducing the taxable income reported on the member's W-2 Form.

Employees hired before July 1, 2007

1. Effective July 1, 2016 pay schedule XIII employees who contribute less than 6.50% of their salary toward their pension shall increase their contribution to the rate of 6.50% of salary toward their pension.
2. Effective July 1, 2017 pay schedule XIII employees who contribute less than 7.00% of salary toward their pension shall increase their contribution to the rate of 7.00% of salary toward their pension.
3. Effective July 1, 2018 pay schedule XIII employees who contribute less than 7.50% of salary toward their pension shall increase their contribution to the rate of 7.50% of salary toward their pension.
4. Effective July 1, 2016 pay schedule XIII employees contributing more than 7.50% of their salary toward their pension shall have the contribution rate set at 7.50%

Employees hired after July 1, 2007 but before July 1, 2011.

Effective July 1, 2011, employees shall contribute eight percent (8%) of their base salary toward their pension.

Employees hired after July 1, 2011.

Effective July 1, 2011, employees shall contribute ten percent (10%) of their base salary toward their pension.

RETIREE COST OF LIVING ADJUSTMENTS (COLAs)

1. The System provides COLAs to eligible retirees only if sufficient excess investment income exists in the Post Retirement Increase Fund to provide a minimum one percent increase. To receive a retiree COLA, a retiree must be retired for at least 12 months as of June 30 plus an additional four years following retirement. The Post Retirement Increase fund (PRIF) shall be reduced from eight (8%) percent to six (6%) percent. Retiree COLAs range from 1% to 3% and are based on the change in the Consumer Price Index (CPI-U) for the 12 months ended December. COLAs are effective in July and are granted independently of employee COLAs.
2. Employees who were hired before July 1, 2007, and who retire on or after July 1, 2010 with less than 20 years of service, shall not be entitled to the retiree COLA. This subsection does not apply to disability retirements.
3. Employees who were hired after July 1, 2007, and who retire on or after July 1, 2010 with less than 25 years of service, shall not be entitled to the retiree COLA. This subsection does not apply to disability retirements.

TRAVEL POLICY

1. Purpose

In order to provide a uniform policy for administration of required and authorized County business travel by employees of all agencies, the following guidelines and procedures shall be adopted by all departments, effective November 29, 1979.

This policy supersedes and replaces all previously existing official or unofficial travel policies presently applied by any County agency.

2. Administration

Travel procedures will be based on information circulated and updated every fiscal year by the Office of Finance, which shall be charged with the responsibility for voucher verification, per diem averages for selected major cities, average travel timetables, air and train fare estimates, accommodation recommendations and other guideline information necessary to insure proper controls of travel expenses.

The individual agency heads shall be responsible for approving travel requests in their departments, and for insuring that travel reimbursement is neither excessive nor discriminatory in its application. Any supplementary procedures developed by the agencies shall be subject to the approval of the Administrative Officer. The agency head shall have the responsibility to determine whether a County vehicle or a privately-owned vehicle shall be used for such travel.

The County Administrative Officer, or the Administrative Officer's designee, shall monitor all travel expenses as reported quarterly by the Office of Finance.

3. Mileage Allowance

A mileage allowance at the rate set by the Internal Revenue Service, plus tolls and parking, shall be paid to County employees who use their privately-owned vehicles for official County travel necessary to carry out the required or authorized duties of their positions, without regard to the number of passengers they may have.

In the application of this allowance, the employee will be entitled to reimbursement for official travel which is authorized by the agency head or designee, other than that required to and from the employee's regularly assigned office or duty station, for the purpose of mileage allowance calculations.

When an employee is required to travel on official business from home to a location other than the regularly assigned office or duty station, whether on a workday or not, the employee shall be reimbursed for mileage in excess of the distance round-trip between the employee's home and the regularly assigned place of work or duty station. It is the employee's duty to keep accurate and timely records of travel, and to report such mileage as required by the agency for reimbursement.

4. Temporary Change of Work Location

An employee who is required to report to a different work site will be reimbursed for all extra travel connected with that transfer provided that the transfer is authorized or directed by the employee's supervisor and is temporary (1 two-week pay period or less) in nature. This allowance will only be paid for mileage beyond that normally traveled by the employee to the employee's regularly assigned place of work.

Travel allowance payments for temporary changes of work location beyond the two-week limitation must be specifically approved by the agency head, subject to the review of the Administrative Officer.

5. Tolls and Parking

Should authorized County business require an employee to pay tolls or parking charges beyond that usually required by travel to their regular work area, the employee shall be reimbursed for such tolls or parking. Parking costs will not be paid to employees who are required to report to the Towson area offices on a temporary change of work location (see No. 4 above).

6. Travel to Conferences, Workshops

Travel to approved conferences, meetings, workshops, training sessions and other work-related events shall be considered official County business. The agency head shall have the responsibility to determine whether a privately-owned or County-owned vehicle should be used for such trips. In planning travel, consideration shall be given to routes which minimize both time and cost to and from the destination.

Employees traveling on official County business are expected to exercise care in incurring expenses, and to avoid excessive or unnecessary costs by planning for the minimum amount of travel and the most economical mode of transportation to the destination. In all cases, the agency head, or designee, shall have final approval on advances and/or reimbursements for the agency's employees, consistent with the guidelines issued by the Office of Finance.

If it is determined that the most economical means of travel is by County vehicle, the "General Rules and Regulations for County Vehicles" shall be followed. Requests for overnight or out-of-state use of pool vehicles must be made prior to the first day of travel.

7. Receipts, Gratuities

Receipts will be required by the Office of Finance for expenses such as lodging, train/bus/airplane tickets, parking, tolls over \$1.00, conference/registration fees, limousine fares and cleaning allowances. Actual expenses for items such as mileage, meals, gratuities, baggage handling charges and taxis will be reimbursed according to the schedule published by the Office of Finance.
